# Introducing BrHackeuses | Who are we?

- BrHackeuses is an all-woman collective aiming to **empower women** in hacking.
- Our **safe** and **inclusive** space has already brought together a community of **200+ members**, encompassing:
  - ◆ **BrHackeuses:** passionate women about cybersecurity, members of the CTF team, driving force of the community.
  - ◆ **Friends:** allies from the industry who offer their support & share their knowledge
  - ◆ **Visitors:** curious onlookers willing to discover our universe

# Introducing BrHackeuses | Our Collective

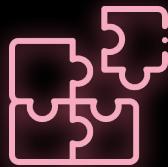

In less than a year, we have built a solid and dynamic team, uniting more than **35 BrHackeuses** from diverse backgrounds, all driven by a shared passion for cybersecurity, constant learning and sharing.

# Introducing BrHackeuses | Our Values

**Passion:** We are women passionate about cybersecurity, dedicated to continually thriving and inspiring others to reach their full potential.

**Diversity:** Our team reflects a wide range of backgrounds, which enriches our discussions and enhances our collective perspective.

**Support:** We foster an environment of continuous improvement through collaboration, support and knowledge sharing.

# Introducing BrHackeuses | Our Values

**Collaboration:** We work side by side to reach our objectives, fostering a spirit of cooperation and sharing.

**Growth:** We sharpen our skills and grow at each and every step of our journey.

**Innovation:** We bring new ideas and approaches in everything we do, from solving CTF challenges to building our own projects.

# Introducing BrHackeuses | In the Press

“Through this project, which ZATAZ supports 1000%, BrHackeuses aim to inspire and support more women and young girls to get into cybersecurity by providing them with a safe space where they can thrive and contribute fully to the ethical hacking community.”

- Article by Damien Bancal - Zataz

The screenshot shows the Zataz.com homepage with a red header containing the Zataz logo and the tagline "S'INFORMER, C'EST DEJA SE SECURISER!". Below the header is a navigation bar with links to CYBERSÉCURITÉ NEWS, DARK NET / DARK WEB NEWS, AI NEWS, OSINT NEWS, ZATAZ COMMUNITY, and 17CYBER. A "BREAKING NEWS" section features an article titled "BRHACKEUSES : UNE ÉQUIPE CTF DE HACKERS 100% FÉMININE !". The article image shows two female hackers in profile, wearing headsets and glasses, working on a computer. The text "COM" is visible in the top right corner of the image. Below the image, the headline is displayed in red: "BrHackeuses : Une équipe CTF de Hackers 100% féminine". At the bottom of the article, it says "Posted On 07 Août 2024 By : Damien Bancal Comment: 0 Tag: BrHackeuses, SecSea 2k24".

Depuis quelques semaines, elles écument les CTF. Les BrHackeuses, une équipe 100% féminine, à l'assaut des compétitions d'éthical hacking.
